2. Chair Report for academic year 2022-23

Thanks given to all who have helped raise funds for the school. Without PTA helpers who bake, man stalls, lend equipment, donate and contribute there would be no PTA Events. We are so appreciative of the level of support we have received. Huge thank you to Parkers and the Round Table.

The past 12 months has seen money raised for gazebo/outside classroom. Thanks to the school for doing such a great job with the installation.
